Sports Med Properties and The Keith Corporation combine efforts to bring premier orthopedic, physical therapy, and sports performance facility to Denver, Colorado

Charlotte based Sports Med Properties and TKC work together to bring 27th national D1 Sports Training location to Denver, Colorado along with expansion of Panorama Orthopedic and Spine Center

Denver, CO (July, 2015) – Sports Med Properties, LLC and The Keith Corporation (TKC), both Charlotte, NC based companies, joined forces to bring a class-A sports training, physical therapy, and orthopedic center to Denver, Colorado. This facility, located at 1060 Plaza Drive, Highlands Ranch, CO 80126, houses the 27th location of the national sports training company D1 Sports Training, as well as an extension of Panorama Orthopedic and Spine Center.

At 35,325 square feet, this building is the first of its kind in the surrounding area. D1 Sports Training is a national sports training and athletic performance company that offers each of its members the chance to train like an athlete. Panorama Orthopedic and Spine Center is an ideal partnership for D1 Sports Training, as both companies are committed to supporting their clients' overall wellbeing by encouraging optimal physical health. This Panorama location offers full orthopedic services, including MRI capabilities.

“The joining of D1 and Panorama is the ideal partnership, especially in a city like Denver where there is an intense passion for a healthy lifestyle. This facility is a positive addition to the Denver market as the two groups have a strong focus on long-term health, overall wellness, and a desire to give back to the local community,” says Randy Russell, President of Sports Med Properties.

Sports Med Properties is the exclusive real estate provider for D1 Sports Training nationally. As a full-service commercial real estate firm, Sports Med Properties takes pride in adding value and creating opportunities for its clients through brokerage, project management, development, asset management, and property management services. Sports Med Properties serves a broad array of clients, including private companies, public institutions, and public/private partnerships, including general and medical office buildings, ambulatory surgery centers, specialty hospitals, mixed use properties, and sports performance and wellness center.

The Keith Corporation is a full-service commercial real estate company focused on development, brokerage and property management. Our development team has an emphasis on build-to-suit development for medical, office, industrial, and retail clients throughout 26 of the United States, the United Kingdom, Canada, and Mexico. The Keith Corporation’s philosophy is to cultivate trust and communication, making these the foundation of their client relationships. The Keith Corporation has advised and served clients of all types, ranging from multinational Fortune 500 corporations to young entrepreneurial companies.
